Dear Mr Fladrich

Thank you for your letter of 14 August 2013 regarding a call for submissions into the review of the Medicines Australia Code of Conduct and an invitation to participate in stakeholder forums.

The ACT Government adopts the Medicines Australia Code of Conduct in local legislation and applauds Medicines Australia and its member companies for undertaking regular reviews of the code to ensure relevancy in the Australian healthcare environment.

The ACT Government does not have any specific issues it wishes to raise as part of the review, therefore I will decline your invitation for a representative to attend one of the stakeholder consultation forums.

Thank you for writing to me about this matter.

Yours sincerely

Katy Gallagher MLA  
Minister for Health
